Rockdale County Enacts Vacancy Control as a Supplement to the Hiring Freeze

ROCKDALE COUNTY, Ga. – Rockdale County will implement a vacancy control process after enacting a hiring freeze earlier this year. The hiring freeze, which was implemented in April, was put in place by the Board of Commissioners (BOC) as a conservative financial measure.

As an enhancement to our hiring process, the county is moving towards vacancy control as a supplement to the hiring freeze to ensure that we fill essential county positions only, to continue to provide services for the citizens of Rockdale County.

For more information, please contact Toni Holmes at toni.holmes@rockdalecountyga.gov.
